2020 EHF “RINCK” Convention Seminar

15 – 23 January 2020 in Vienna, Austria

Hosting City – Vienna, Austria

During the UEFA Euro 2008™ in June 2008, football reigned supreme in Vienna. On the 29th June 2008, Spain was crowned Champions at the Ernst Happel Stadium in Vienna. On the 31st January 2010 the European Men's Handball Champion France was crowned in the Stadthalle arena at the 2010 EHF EURO. Ten years later at the EHF EURO 2020 the Stadthalle arena will host the preliminary and main round once again.

Of course, there are many more things to see and do in Vienna, Austria's capital with 1.8 million inhabitants. Whether you like art and culture, architecture or sports, Vienna has a lot to offer for everyone. Come and enjoy the pulsating life in the city's streets or visit one of the many green parks and gardens to chill and relax. Here is a brief overview of Vienna's most important sights. The City of Vienna looks forward to welcoming its many guests.

Viennese cuisine

Tourists and locals alike can discover a wide variety of culinary delights in this city that is known for its appreciation of fine flavours. From the traditional Viennese coffee houses and haute cuisine to the hearty meals served in Vienna's inns, this city offers the finest foods and drinks for every palate and budget. Enjoy choice wines, tasty beef dishes or the typical Viennese Kaiserschmarrn (a kind of scrambled pancake with raisins, served with stewed fruit) in select restaurants and inns all around Vienna. More Viennese specialties can be found at the traditional Coffee houses, Inns(Beisl), Heurigen and Sausage stands where you can be sure to meet Viennese people and experience their true "souls" in a relaxed atmosphere.

EHF Methods Commission

Introduced in 2000 this convention concerns the mutual recognition of standards and certificates in the field of coaches' education in handball in Europe. From the 6 founding nations it has developed to some 40 signatory nations so far. The 2010 edition of the RC that was adopted by the 2010 congress and paved the way to new roads and activities in order to attract all the not-yet-signatory-nations.

One of the most important step into the future is the introduction of a so called "EHF Master Coach and Licencing Course" organised by the EHF itself. This move has to be seen in the light of an upcoming overall EHF licencing system in the near future. The first issue was the "2012 Open EHF Master Coach and Licencing Course", the further series took place in 2014, 2016 and 2018. In 2020 the next edition of such a high end education course is on offer. The course will consist of three stages and is accessible for all coaches of RINCK Convention signatory countries on level 2 & 3 (confirmed by their Member Federation).

"RINCK" Convention EHF Master Coach and Licencing Course – Module 1:

The first module will take place at the EHF EURO 2020 in Vienna / AUT from 15. – 23. January 2020. Specific handball topics with the emphasis on technical analysis and leadership & management will be presented by EHF Lecturers theoretically and practically.

"RINCK" Convention EHF Master Coach and Licencing Course – Module 2:

The second module of the course is planned in June 2020. This part shall focus on individualisation like goalkeeping, physical preparation, mental preparation, prevention, as well as communication and new trends in coaching.

"RINCK" Convention EHF Master Coach and Licencing Course – Module 3:

The third part is planned to take place during the EURO for Women in Denmark/Norway in December 2020. Main contents are the tactical approach to match analysis and the defending of the theses by the participants.

Between the first, second and the third part of the course the participants will have to execute several tasks communicated during the 1st and 2nd Module. During the third part of the course they will present and defend their thesis.

After this all "level 3" participants shall be awarded with the diploma "EHF Master Coach" and they will receive the highest EHF licence for coaches, the EHF "PRO Licence. Participants on level 2 will receive the EHF Coaching Licence, thus promoting individually to level 3 of RINCK Convention.

Following the master plan the next issue of the "EHF Open Master Coach Course" shall take place in the year 2022 with identical structure.
